Wholesale Cars Direct is the leading destination in New Zealand for discerning car shoppers. Wholesale Cars Direct has been open for ten years, sold over 13,000 cars and never once been in the Motor Vehicle Disputes Tribunal. Also unlike many Japanese used car dealers we do not have one accident grade car on our yard. We will never sacrifice quality for our brand. We are forever changing and bringing new standards to the used car sales industry. We offer credible, easy to understand information from our market leading non commission based, unbiased sales team, we are market leaders for a reason. We don't have disappointed customers, learn more by reading the WCD difference and buy safe pages of our website.
